Here is a test to find whether your mission on earth is finished: If you are alive, it isn't. -Richard Bach, 1936-, American Author

FROM OUR PRESIDENT...

Well, I hope everyone has had an enjoyable summer, or for some, on your way to recovery.

Some of us entered quilts and handiwork in the county and state fairs. Good luck to all...

I'm looking forward to the next "Team Sew". It was so much fun last year! We're getting ready for the Livestock Festival/Color Country quilt show, and also Christmas gifts (quilts) for the children. There will be "Four Categories":

1. Sewing quilt top kits together
2. Sewing apron kits together
3. Sewing machine quilting
4. Tying smaller quilts

There will be many door prizes for each category and everyone wins a prize! We will be serving chili, corn bread, and desserts. Choose your team of four or five before you come or add to your team after you arrive, if you don't have enough. Think of a clever name, and yes, there will be a prize for that, too. It's a win, win situation for all. PLEASE come, this is our big money making project for the less-fortunate. There's something to do for everyone on September 24th. No team?-Come alone to complete a team there!

Thanks to all who participated in the Foxfire Quilt Show.

Challenge quilts-Due Oct. 8th and will be judged then. Even bring those wilderness quilts that don't meet the size requirements and we'll display them for all to see!

The new directory is done.

Happy Quilting,

Julie Patrick

TIPS & TECHNIQUES

Taking care of your back and joints while quilting...

Your back needs rest and variety of movement. During your quilting day, get up and move around. Set your cutting and ironing boards where you will need to get up and walk at least a few steps to use them.

Your productivity will increase by 25% if you take a 10 minute break every hour. Do stretches during your break. This will ease tension from your muscles and restore range of motion to your joints. Happy quilting!

OUT TO LUNCH...

By

Susan Goodman

We are highlighting the wonderful luncheons our quilters provide and the recipes we all want. Your favorites will be right here each month in your newsletter!

From Jean Fitzgerald

Tuna & Noodles with Creamy Mushroom Sauce

4 cups uncooked egg noodles (8oz.)
 2 cans (6 oz. each) tuna, drained
 1 cup sliced mushrooms (3 oz.)
 1 ½ cups sour cream
 ¾ cup milk
 1 tsp. salt
 1 Tbsp. chopped chives
 ¼ tsp. pepper
 ¼ cup dry bread crumbs
 ¼ cup grated romano cheese
 2 Tbsp. butter, melted

Heat oven to 350°F. Cook and drain noodles as directed on package.

Mix tuna, noodles, mushrooms, sour cream, milk, chives, salt & pepper. *Place in 2 quart casserole or an 8x8x2 baking dish. Mix bread crumbs, grated cheese and butter together, and sprinkle on top of tuna mixture. Bake uncovered 35 to 40 minutes or until hot in the center.

For a larger crowd, I double the recipe, but use 7 cups of noodles instead of 8 cups. Then I bake in a 9x13 pan.

Always-a-Hit Spinach Squares

Always a hit at parties and with family and friends!

¼ cup butter
 3 eggs
 1 cup flour
 1 cup milk
 1 (8 oz.) package mild cheddar cheese
 1 (8 oz.) package Monterey Jack cheese
 2 (10 oz.) packages frozen chopped spinach, cooked and drained
 1 Tbsp. dried onion

1 tsp. seasoned salt

Preheat oven to 350°F. Put butter in a 9x13 baking pan and melt in oven; remove. In a large bowl, beat eggs well. Add flour, milk, and baking powder; mix well. Chop cheeses in chunks; drain spinach, and add these to flour mixture. Mix well. Add dried onion. Spoon into baking pan, level off, and sprinkle with seasoned salt. Bake at 350°F. for 35 minutes. Remove and let cool; cut into squares. Freezes well. To defrost, reheat at 350°F for 10 minutes. Makes about 30 squares.

FAT QUARTERS DRAWING

Bring one fat quarter in the theme of the month and get your name in the drawing!! You just might take home the bundle of fat quarters !!

**2009 CHALLENGE QUILT**

The due date is almost here!! (Oct. 8th)
