FROM OUR PRESIDENT...

HAPPY VALENTINE'S DAY

We're attempting the vintage photo display again at our monthly meeting. Bring the one that you tell yourself, boy, if I could just look like that, again! We have papers to make a Valentine for that special person in your life, children included. Or, you can just bring one to share, and see if we can guess who's who.....

It has been brought to my attention that a few members would like to form a knitting and crocheting circle. Maybe to meet at Stitchin' It Up, or places of your choice. Ethel Miller will head this up at our monthly meeting, or you may call her, if interested.

A trunk show is scheduled for our February 11th monthly meeting. It will be given by Pat Peters from the Dixie Guild.

Our Website will feature Action Photos of classes at our Retreat, in place of the photos for registration sign ups. Click on and see the fun!

All phone and address changes that have occurred during the past year should be E-mailed to Mona, or give her a call at home. We feel that there's no need for renewal membership forms for past members. Please pay your dues, if you haven't already done so.

Reflecting back on the past three years, I have enjoyed serving you and our community. The first year, as 1st Vice-Pres., along side of Pres. Sandy Robles and Mary Jane Wellburn, 2nd Vice-Pres., I was in charge of classes, so we investigated the talents of our members, and held at least two classes a month. My second year, now as President, with Linda Shokrian, 1st Vice Pres., planned many classes for your learning pleasure, with Dorothy Loris, 2nd-Vice Pres., Jean Fitzgerald, Treas. and Judy Stolrow, Sec'y., at my side. We created additional Chairmen to help round out the needs of our growing guild. My third year passed by, it seems, in a blink of an eye.

With the help of our 1st Vice-Pres. LaRee Rees, we have yet again, had our talented members teach classes. 2nd Vice-Pres. Liz Jacomb, Treas. Jean Fitzgerald and Sec'y Alayna Coombs. We even had Blanche Young and her daughters visit us. Her daughter, Helen, taught us the 2nd & final class of the Lone Star. All members of the guild have helped in so many ways, making hundreds of humanitarian quilts and projects with your generous time and talents. Our quilt shows and annual retreats have been awesome. The chairmen, co-chairmen, friendship circles, and behind the scenes helpers, have been greatly appreciated. Our luncheon meetings, besides the nourishing and delicious dishes each month, are a joy. It's fun to all come together, visit, share our love and knowledge of quilting, show our finished projects and come to know each other better. My gratitude goes out to all of you. Thanks for your love and support.

As always, Happy Quilting,

Julie Patrick, President

SPECIAL THANKS

Our sincere thanks to all those who helped with the Winter Retreat quilt show. We appreciate each of you who contributed quilts to display . They were beautiful and really made a wonderful impact as the quilters came to the retreat. A very special thank you goes to the men who showed up to hang the quilts and then came back to take them down for us. We couldn't have done it without them.

TIPS & TECHNIQUES

Don't forget to clean your cutting board between fabric cutting, particularly if you are going from light to dark or vice versa. To do this, take a lint brush or roller and just sweep it across the board a few times; this will clean your board nicely.

OUT TO LUNCH...

Sorry, but there's no recipe this month.

HUMANITARIAN

Heartfelt thanks goes to the loyal members whose dedication, time and effort have resulted in benefits to our communities. I appreciate having had the opportunity to head up the Humanitarian aid which the guild participated in during the past year.

Sincerely,
Janet Dexter
